

Sponsorship Levels for Seasonal Calendars & Map

Marine Park's seasonal calendars list free programs for the general public on one side and provide an easy-to-read map of the park on the other side with useful phone numbers. Your sponsorship helps us produce this printed publication and cover other organizational costs. The calendars are offered to the public in see-through mailboxes throughout the park, in buildings, plus community offices in the neighborhoods surrounding the park and Community Board 18. We print 10,000 hard copies and unlimited digital copies.

To take advantage of this opportunity to become a Calendar Sponsor supporting all of our community programming, please write us at reachus@marineparkalliance.org.

\$1,500 Level Sponsor
